Attention: [REDACTED] Contracting Officer

Subject: Final Property Inventory and Final Patent Statement  
Task Order No. 14/ [REDACTED]

Gentlemen:

Per your request of December 2, 1966, this is the Final Property Inventory letter and Final Patent Statement for subject Task Order:

1. There was no residual property accumulated in connection with Task Order No. 14.

2. There were "no inventions, as defined by the Patents Rights Clause (Article 22, [REDACTED] conceived or reduced to practice in connection with the subject Task Order"; there were no subcontracts issued against the subject Task Order which contained a Patents Rights Clause as called forth in Article 22.

Very truly yours,

[REDACTED]
